To my Garrisonville Family,

It is with deep regret that I announce my retirement. My physician is recommending that due to my worsening neck issues that limit my range of motion and increase the possibility of surgery, that it is best for my health to not continue practicing dentistry.

I wish you and yours the greatest success in your future. It has been a pleasure taking care of you and your families. The outstanding doctors of Garrisonville will continue your care for your dental needs.

Sincerely,
